# Announcing the Launch of RIDESHARE PROGRAM

## **What is ridesharing?**

Ridesharing is the simple act of sharing the ride to work with others. By carpooling or vanpooling, you save thousands of dollars in commute costs. And, it helps save the environment!

We have partnered with 511 to offer interactive tools and resources to support these travel choices by our employees.

## **Who can use this program?**

The program is available to all of our employees.

## **How do I get started?**

The first step to starting or joining a carpool or vanpool is requesting a free personalized RideMatch from 511. They will connect you with co-workers and neighbors who are interested in the benefits of ridesharing. Contact your matches once you receive your FREE matchlist.

## **Where can I find out more?**

Visit [511.org](http://511.org) or call 511 and say "Rideshare."
